*Building Pledge*

*Greetings Family & Friends!*

February 1, 2024

House of Faith (HOF) is a church plant in the Bay Area, located in Hayward, California. Surrounded by San Francisco and Oakland we are planted directly in the heart of The Bay, a strategic place to reach lost people.

HOF is committed to preaching the Gospel, evangelism and discipleship. We are a multicultural and multigenerational church where marriages have been restored, freedom is found, addictions and bondages are overcome, the incarcerated are set free, and generational curses are broken. Over the years, we've witnessed many people encountering Jesus and finding redemption through forgiveness. We believe that this is just the beginning. During January of this year, we had 9 baptisms and 25 people came to salvation and there are many more people out there still to be reached.

To keep up with the needs of our growing congregation and ministry, we've had to move from one rented space to another. Within 8 years, our church has flourished from its humble beginnings in the pastor's living room to become a thriving community of believers. Today, HOF ministries continue to flourish as we are committed to spreading The Gospel and making an impact in our community.

Several ways we live out community evangelism and discipleship are:

- Manna Ministry: Serving more than 150 families every month with free groceries.
- Evangelism: Daily evangelism throughout the city and providing housing resources for the homeless population.
- Missions: Jaramillo, Mexico and a new church plant HOF, Philippines.
- Community: "Who Got Game" 3 on 3 Basketball Tournament and "Back2School" giveaway of 500 backpacks and school supplies. An exciting annual outreach day of sharing the Gospel through basketball and back-to-school festivities. An annual Thanksgiving feed, HOF coordinated the distribution of "Boxes of Love" to provide dinner to 300 families in need.
- Men's and Women's Discipleship: Developing spiritual growth and studying the Word of God.
- Marriage Ministry Discipleship: Strengthening Marriages through God's Word.
- Prison Ministry: Weekly teaching of the Word at San Quentin State Prison and Assistance with Re-entry into the Community
- Youth Ministry: Teaching youth the Gospel.

Our current ministries are just the beginning and we believe that God has even more initiatives in store for us to reach more people. One of our top priorities is expanding our space by purchasing a building we can use daily. We are excited to share that we are looking for the perfect property in Hayward. With this new building, we can achieve much more and make a greater impact many lives. Our goal is to raise \$200K to support this work and we would be honored if you joined us in this mission. By partnering with us financially, we can continue building God's kingdom together. By Faith, we believe it is already done.

*In Faith*
